

## Declaration of RoHS Compliance

For the following products

|                     |                                  |
|---------------------|----------------------------------|
| <b>Part Number:</b> | <b>Description:</b>              |
| EZL-200L-E          | Serial Ethernet Converter        |
| EZL-200F-E          | Secure Serial Ethernet Converter |
| EZL-220-E           | Serial Ethernet Converter        |

This is to certify that all components listed above are RoHS compliant and meet the requirements of the current RoHS Directive 2011/65/EU, and have less than the RoHS limits stated below for the six restricted use substances.

This Declaration is based on our analysis, vendor supplied analysis or material certifications.

| Restricted Substance                  | Maximum Limit (Parts per million) |
|---------------------------------------|-----------------------------------|
| Lead (Pb)                             | 1,000                             |
| Cadmium (Cb)                          | 100                               |
| Mercury (Hg)                          | 1,000                             |
| Hexavalent Chromium (Cr6+)            | 1,000                             |
| Polybrominated Biphenyls (PBB)        | 1,000                             |
| Polybrominated Diphenyl Ethers (PBDE) | 1,000                             |
